## 4. Conditions

Terms of payment: immediately without discount or payment in advance. Abroad of the EU: payment in advance.

Terms of delivery: all units sent to us, are to be dispatched prepaid. Any shipping charges we should have to bear for your sending it, will be charged back. Return shipment will be effected ex works Mainz by us.

For warranty cases the following international agreement is valid: You send your equipment prepaid to us, then shipping cost for the return (standard method) will be taken over by PREMA. The decision on whether warranty applies or not, can only be made by PREMA after inspection of the instrument.

The traceability to the International System of Units (SI) and the national standards of the PTB (Physikalisch-Technische Bundesanstalt) is certified on our calibration certificate.

With any repair and / or calibration, the safety test according to „DGUV regulation 3“ will be carried out.
